To whom it may concern,

This is to confirm that the Embassy of Canada in Serbia has been cooperating with Mr. Ljubomir Lupulov and SZR Politura from Pancevo since 2015.

During that time, they have been providing the services of refurbishing stylish furniture and office furniture at the Chancery, Official Ambassador's Residence and residential properties occupied by Canadian diplomats.

The Embassy has been very satisfied with the service and quality of work provided, as well as their willingness to be flexible when faced with tight deadlines. The quality of work has always been up to the highest standard, and services provided before the expiry of our deadlines.

With this letter we would like to recommend Mr. Lupulov and SZR Politura as the provider of services of stylish furniture refurbishment, for their professionalism and excellent customer service.

Yours sincerely,

François Lavertue
Counsellor (Management) and Consul
